

Webinar: Run your own COP27

20 October, 16:30 to 17:30

InterClimate Network (ICN), as part of our I-CAN Erasmus+ Project and working with [Just Ideas](#), is pleased to invite you to join our free online webinar to introduce our resource and support you in facilitating your own COP27 Climate Conference with young people (11-18 years).

Aimed at: Teachers, facilitators, interested sixth form students and other organisations.
(Please feel free to share this invitation with schools that you think would be interested).

Date and registration: Please use the link to sign up

- Thursday 20th October, 4.30 – 5.30 pm [webinar link](#)

Session aims to provide:

- Introduction I-CAN Toolkit and COP27 resource (access the briefings [here](#))
- Outline of how to run your own climate conference
- Tips for chairing to ensure lively participation
- Time for your questions

ICN has adapted our tried and tested UN-style climate conference format to sit within school priorities and time-constraints. It can be used in a range of settings: classroom; year groups; on-line; with neighbouring schools.

Student teams are guided to research and represent a range of countries, presenting their country pledges and climate challenges. Role-play methodologies bring to life critical climate negotiations and collaborations to raise global ambition for action during the conference.

For COP27 we have updated our award-winning [COP26 in the Classroom](#) resource and continued its objective to sharply focus on lived experience of climate change around the world, particularly for young people and the most vulnerable. Working with our Erasmus+ I-CAN project partners (see I-CAN page below), this resource now forms part of a comprehensive new Climate Action Toolkit.

Further details:

- The webinar forms part of our Erasmus+ International Climate Action Network Project (I-CAN).
- Just Ideas, our long-standing partners, are collaborating in this training initiative.
- If you cannot make this date, please let us know and we can look to run another session.
- **Contact and any questions:** schools@interclimate.org
